

Sister From St. Joseph College Among 50 Killed In Virginia Plane Crash

By MARSHALL JOHNSON
Associated Press Staff Writer
HOLDCROFT, Va. (AP) — A Norfolk-bound Capital Airlines plane groping confusedly at house-top level in heavy fog, crashed on the side of a marshy ravine near here Monday night. Fifty persons died in the flaming wreckage.

Early this morning, rescuers who had been held back for nearly eight hours by the searing heat finally were able to enter a portion of the hulk to begin removing the bodies of the victims—46 passengers and a crew of four.

Capital reported two of the victims were infants.

Difficult To Identify

The first charred body was removed from the plane at 7:50 a.m. It appeared that few would be identifiable. Police indicated a seat plan of the flight would be used to discover which passenger was in each seat and that the seats would then be tagged to assist in identification.

A crash truck parked near the still smoking ruins and ambulances stood by to carry bodies to a hospital in Richmond, where the more difficult aspects of identification would be turned over to a medical examiner.

Crash Cause Unknown

The airline resolved a question as to exactly how many persons were aboard the four-engine plane. It confirmed the presence of another infant, the 50th victim.

Aside from the weather there was no immediate hint as to why the plane crashed.

The big jet-prop Viscount, Capital Flight 20 from Chicago to Norfolk via Washington, plunged to earth shortly after 10:30 p.m. — the time she was due in Norfolk.

Only a few hundred yards away was an open field where the plane might have made a safe emergency landing—but the pilot been able to see the field.

"Came Straight Down"

"She seemed to come down like somebody pulled a rug out from under her," said Robert H. Tench, whose farmhouse is only about 300 yards from the crash scene near the Chickahominy River. "She came straight down."

Advice On Investments

He stressed that participation in mutual funds, or any other purchases of stocks and bonds should be made "only after you have sufficient funds on hand for secure operation of your home, enough in the bank to see you through emergencies and sufficient life insurance to protect your family for at least a five-year period. Stocks and bonds are a speculation and you should do your speculation with funds that you can afford to lose. Mrs. Zimmerman is asking support and payment of attorney's fees by her husband pending the decision of the divorce action.

The couple wed April 8, 1960, at Johnstown. Mrs. Zimmerman alleges infidelity and adultery in asking her divorce. In her petition for alimony pending the divorce decision, she accuses her husband earns approximately \$65,000 a year and asks alimony and attorney fees not exceeding one third that amount.

The court directed that the records of Zimmerman, including the motel records for 1959, be brought to the local attorney's office to permit them to prepare their case for alimony. At the same time it noted that Zimmerman had a right to object and that the objection would act as a stay of proceedings until the matter is further resolved.

CUSTODIANS TO GET PAY BOOST

ST. LOUIS, Mo. (AP) — The Board of Education Monday night offered a wage increase of \$200 annually to janitors and matrons who struck Monday and closed most public schools here.

The board offer of a 5 per cent raise matched the pre-strike demand of Local 118 of the Public School Employees Union. But the board's offer wouldn't become effective until July 1, start of the next fiscal year. The janitors earn from \$3,601 to \$5,521. Wage scales for matrons range from \$2,880 to \$3,312.

Doubts Stand

Business agent George Luetkenthaler said the union executive board would probably take no stand on the proposal leaving it up to a vote of the membership.

The 552 strikers walked off the job at 6:30 a.m. Monday creating a holiday for some 80,000 pupils, 78,200 of them grade school students.

Kearney was president, general manager and editor of the old Evening Ledger.

Free Men After Raid On Sunday

PHILADELPHIA (AP) — Two men arrested in a house raid on a Society Hill mansion Sunday have been freed by Municipal Judge J. Sidney Hoffman.

The jurist Monday dismissed a charge of being proprietor of a disorderly house that had been placed against George F. Kearney, 64. At the same time Judge Hoffman dismissed charges of corrupting the morals of a minor that had been made against Philip R. Pekoff, 21.

Police arrested the pair, along with several others, after investigating what they called a "loud party" in the Kearney residence. Some participants allegedly were partly disrobed.

Kearney was president, general manager and editor of the old Evening Ledger.

VICE ADMIRAL LOSES BATTLE WITH THE BIRDS

PHILADELPHIA (AP) — Vice Adm. Raymond J. Mauerman, USN, Ret., is at war with the birds.

Mauerman is deputy commissioner of public property.

Recently he hung wartime surplus submarine nets on the city's courtyard entrances to keep thousands of pigeons from flying in.

But the admiral lost his battle with the pigeons. Like everybody else, they now walk into the courtyard entrances.

Mauerman turned his attention to the thousands of starlings which roost above the city hall courtyard at dusk. They perch around a sixth-floor ledge and make a massive nuisance of themselves.

Tries Noise; Fails

Monday Mauerman launched a campaign with his own secret weapon — noise.

He sent two assistants to the eighth-floor roof with a shotgun filled with blank ammunition. They fired away for about 15 minutes. The sound boomed over Penn Square.

The starlings swooped off in a body. When it was all over, they swooped back.

The only casualties were the operators at the municipal switchboard and alarmed citizens who phoned in wanting to know what was going on.

WIDOW TO SEEK SEAT IN HOUSE

WASHINGTON (AP) — The widow of Rep. Richard M. Simpson (R-Pa.) said today she would be willing to run for the 18th Congressional seat left vacant by the death of her husband early this month.

Mrs. Simpson said she would "consider it an honor and a privilege to continue Mr. Simpson's work on behalf of the 10th congressional district and the Republican Party."

"It appears that the sentiment in our district indicates that I present myself as a candidate for Congress to carry on the principles and philosophies for which Mr. Simpson firmly stood."

Elliott Is Mentioned

Mrs. Simpson is in Washington with her family.

The 18th District is made up of Union, Snyder, Mifflin, Huntingdon, Fulton, Franklin, Bedford and Somerset counties.

Monday night Somerset County Republican leaders agreed to back State Sen. J. Irving Whalley of Windber as the candidate.

Ninety GOP conferees from the district will meet at Huntingdon next Monday to select a candidate.

In addition to Mrs. Simpson and Sen. Whalley, these other Republicans have been mentioned as the GOP choice: State Sen. Douglas H. Elliott, Franklin County; John H. Biddle, Huntingdon publisher, and State Rep. Harvey P. Murray of Snyder County.

YOUNG HEIRESS WANTS LOVER

PARIS (AP) — Runaway heiress Gamble Benedict told her brother Monday night she will never go home without her married lover, Romanian-born Andre Porumbau.

The 19-year-old New York debutante met her brother Douglas, who had flown from New York to remonstrate with her in the deanship of the American Episcopal Church in Paris. Porumbau, 35, paced outside the church.

"Are you going home?" Porumbau asked the girl as she emerged from the church.

"Are you kidding?" she replied and threw her arms around him in a warm embrace.

Sources close to the girl said she had made Porumbau the sole heir of any fortune she might someday acquire. Although her grandmother controls most of the family fortune, Gamble is to come into a \$500,000 trust fund on her own when she is 21 or when she marries.

DR. BOWERSON DIES IN CRASH

Rev. Dr. Hixon T. Bowersox, 70, pastor emeritus of St. Paul's Lutheran Church, Cumberland, Md., and who started his ministry in Smithsburg, Md., was killed in a car accident Saturday evening at 7:30 p.m. Wednesday.

"Are you going home?" Porumbau asked the girl as she emerged from the church.

"Are you kidding?" she replied and threw her arms around him in a warm embrace.

Sources close to the girl said she had made Porumbau the sole heir of any fortune she might someday acquire. Although her grandmother controls most of the family fortune, Gamble is to come into a \$500,000 trust fund on her own when she is 21 or when she marries.

Man Arrested In Sale Of Securities

PHILADELPHIA (AP) — Magistrate E. David Keiser Monday held Donald U. Hildreth, 61, Gulph Mills, in \$2,500 bail on charge of selling securities for more than the price he reported to the sellers and keeping the difference.

The amount of money he allegedly took was not determined but more than \$60,000 worth of securities were involved, officials said.

Hildreth was arrested on warrants sworn out by the Pennsylvania Securities Commission. Last November he was held in \$5,000 bail by a Norristown magistrate on charges of defrauding several persons in the sale of securities. The case is pending.

Heavy "Dropped" Fruit

Pennsylvania, with an estimated crop of 7,500,000 bushels, produced its largest crop since 1951 when production totaled 6,700,000 bushels.

Apples for the three plants were purchased from virtually every apple producing sector in the four-state Appalachian Area, which again produced an above average crop. USDA indicates a 1959 crop of 56,790,000 bushels in the East, two per cent below last year but 17 per cent above the 10-year base average.

Law and Order Society Meets:
The "Law and Order Society," organized for the purpose of benefiting and enforcing municipal regulations of our town will prove to be a real live wire. Its aim will be to correct the vices that corrupt the lives of young Americans and to guard against future infringement.

At the meeting of the society on Thursday night many topics of public interest were brought to the surface that escape the eye of the less careful observer.

After opening the meeting with invocation by Dr. Birk, Prof. Sanders, as chairman of the committee to draft a constitution, reported the work as completed after which the constitution was read and adopted.

The constitution provides that the name of the society shall be "The Law and Order Society of Gettysburg, Pa." The executive committee will consist of the officers of the society: President, vice president, secretary, corresponding secretary and treasurer, together with the chairmen of the different committees. A standing committee on finance will be appointed and such other committees as are necessary on temperance, minors, Sundays, social and vice. It will be their duty to report on all violations of the law and such reports will be followed by an immediate investigation. If facts are found as stated in reports, proceedings will be instituted against the offenders.

Frigid Thoughts Of Icy Men: A number of our businessmen have taken advantage of the opportunity to preserve natural gifts and have organized an ice company. This winter has been especially productive in the ice crop and many tons of the natural product are being stored away.

The new company is taking ice from Marsh Creek and storing it

AND THEN THE LIGHT WORKERS!

Those light parties ambled over one another. There was a job ready for all. I was amused when the wise ones informed me that all those apparent black flakes were but "reflection." Their existence is challenging, why should they be? How much there is for us all to learn! I still contend that I live in a world of wonders. I would like to learn all the meanings—but I fear I never shall. I learn that I was born full of wonder, and I am glad. It is so wonderful to live in a state of expectancy, with surprises forever poking their heads into the world.

Just to think that the smallest flower of the field is sponsored by the outlier of the heavens! It all makes one feel humble.

Why should people be unkind and untrue to others with so much all about us to make us kind and helpful? Strange isn't it? Why do nations fight bitter wars and then erect monuments in honor to the slain? Think of the heroic dead. Peace is much easier than war and its cost is so small.

Most big wars are caused by the bigger nations calling the biggest one "names," and then the war things are put in motion. How silly! It doesn't make sense and it is unintelligible. Just think what a world this would be with all such waste diverted to schools, churches and hospitals? When ever I pass a handsome little chap on the street I say to myself, should another war ever come, he very possibly would be drafted; and there would be another mother's broken heart in the world!

Tomorrow Mr. Adams will talk on the subject: "Turn A Corner Now And Then."

Just Folks

UNCHANGEABLE MOTHER

Mothers never change, I guess, in their tender thoughtfulness.

Makes no difference that you grow.

Up to forty years or so,

Once you cough, you'll find that she.

Sees you as you used to be,

And she wants to tell to you

All the things that you must do.

Grown and married, and maybe

Father of a family,

But to mother you are still

Just her boy when you are ill;

Just the lad who used to need

Plasters made of mustard seed;

And he thinks she has to see

That you get your flaxseed tea.

Mothers never change, I guess,

In their tender thoughtfulness.

All her gentle long life through

She is bent on nursing you;

And although you may be grown

She still claims you for her own;

And to her you'll always be

Just a youngster at her knee.

DIRECTOR OF STATE FISH BODY QUIT

Sergeant Held In Tavern Burglary

PLATTSBURGH, N. Y. (AP)—Staff Sgt. James P. Lininger, 25, of Plattsburgh Air Force Base, is charged with third-degree burglary for breaking out of a tavern.

Police said they arrested Lininger, of Morgantown, W. Va., Monday, said today he has been asked for and tendered his resignation effective Feb. 1.

He said the action came at the close Monday of a meeting of the seven-member commission.

"The Pennsylvania Fish Commission has indicated to me that my resignation would be acceptable for reasons having no connection with the value of my services and I have accordingly tendered it effective Feb. 1, 1960," Voigt said in a statement.

No Explanations

He refused to elaborate.

Albert R. Hinkle Jr., of Clearfield, president of the commission, also refused comment.

"I do not have Mr. Voigt's written resignation and I will not have any statement until such time as I do have it," he said.

Voigt explained his resignation notice was oral, that he hadn't written a formal letter yet.

No one concerned would comment on a successor.

May Be More Changes

Hinkle indicated in response to a question that other top level personal changes may be forthcoming.

"There have been some changes made and there probably will be more soon," he said, again declining to elaborate.

Before taking the Fish Commission post, Voigt had been on the staff of the Izaak Walton League of America more than nine years, the last six as executive director.

Prior to that he had been in driving hazardous.

GHS Seeks 1st Place Tie At Waynesboro Tonight; Jr. High In Home Twin Bill

Tonight the Gettysburg High Warriors have an opportunity to tie Chambersburg for first place in the first half race of the South Penn Basketball League when they invade Waynesboro to battle the troublesome and ever dangerous Indians.

Gettysburg is 2-0 in the league while Chambersburg is 3-0. Chambersburg, host to Cedar Cliff in a non-league scrap tonight, comes here to meet the Warriors Friday night.

The local attraction tonight pits the Gettysburg Junior High dribbler's (0-2) against Waynesboro (3-1) in a league contest. The junior varsity game will start at 6:30.

Waynesboro Is 6-4

Coach George Forney's Warriors (6-2) will undoubtedly run into a fired up outfit at Waynesboro. The Indians got off to a brilliant start this season in winning five of their first six games but then lost league games to Chambersburg and Hanover, a non-league tilt at Cedar Cliff, while topping Biglerville in a SP game for an overall 6-4 mark.

Bob Stoops, 5-11 senior, has been the most dependable scorer to date for Waynesboro. Trailing him in point production have been Paul Shockley 6-1, Steve Martz 6, Brian Sachs 5-11, and Keith Vinton 6-1. Don Eakle, 5-7 junior, has been coming along steadily as a playmaker.

In the only other league game on schedule tonight Biglerville (0-3) tangles with Hanover (2-2) on the Canoe's floor. The Cannons have been finding it rough going in their initial season as a South Penn member and appear destined for another defeat at the hands of the strong Nighthawk squad.

Other South Penn Junior High games today include Biglerville at Hanover, Chambersburg Central at Shippensburg, and Chambersburg Faust at Carlisle.

Bolts, Cadets Favored

Littlestown and Scotland, unbeaten leaders of the Adams and Franklin Divisions, respectively, in the Adams-Franklin League with 5-0 marks, appear likely to maintain their clean slate to night.

Jack Bream's Thunderbolts go against Fairfield (1-5) at Fairfield while Scotland meets Fannett-Metal (1-5) on the Cadets' floor.

Completing the A-F program tonight will be the following games: Greencastle (4-2) at New Oxford (4-2), Buchanan (3-3) at Bermudian (4-2), and St. Thomas (1-5) at Quincy (1-5).

Delone At Home

Delone Catholic, tied with Bishop McDevitt for first place in the Central Penn Catholic League with a 2-0 record, will meet Lebanon Catholic (0-2) this evening at McSherrystown. The Squires, 4-4 overall, have shown considerable improvement recently and are favored to win their third straight.

McDevitt plays at Lancaster Catholic and York at Shamokin in other league games tonight.

FOLLY BEATS EDDIE MACHEN

SAN FRANCISCO (AP) — No. 2 ranking heavyweight Zora Folley, who kept his word and a secret as he jabbed out a clear-cut victory over Eddie Machen in a lackluster battle, today hopes for a title shot against Ingemar Johansson.

"I beat Machen before and I'll beat him again," the 27-year-old Folley from Chandler, Ariz., vowed before he climbed into the Cow Palace ring for his 12-round return match Monday night. Their first meeting ended in a controversial draw in April 1958.

The 194-pound Folley was soundly beaten by his 199-pound opponent from Portland, Ore., that he kept secret his troubles with ailing tonsils. The tonsils probably will come out Thursday in Phoenix, said Manager Bill Swift. Machen was an 8-5 favorite despite his No. 4 rating.

Monday night's fight brought repeated boos from the crowd of 5,447 and frequent warnings from referee Vern Bubbee to step up the action.

Folley's jab kept Machen off balance throughout. Occasionally he followed with crisp right hand shots to the head and left hooks to the body.

LAKERS' PLANE FORCED DOWN IN CORNFIELD

Emmitsburg

MRS. RALPH LONG
Hillcrest 7-2231

EMMITSBURG—Mr. and Mrs. Guy Gebhart, Emmitsburg, announce the engagement of their daughter, Margaret Ann, to William Franklin West, son of Kelson West, Cascade Md.

Mrs. Gebhart attended Emmitsburg High School. Mr. West graduated from Smithsburg High School with the class of 1955, and is now with the National Guard at Harve de Grace, Md.

There was no injury to the squad or the club guests aboard, 23 in all. A Carroll fireman, Henry Roth, who had heard the plane in the air, said it was "awful lucky" to make the landing.

Lights Went Out

Minutes after the successful landing by Gopher Aviation Co. pilot Vernon Ulman, of Brookings, S.D., and Minneapolis, a motocade of 10 cars, organized by Sheriff Al Thorup and Carroll police, brought the passengers and crew to town in a motor.

The plane, a DC3, left St. Louis after Sunday's game. It was 45 minutes away from Minneapolis. Francis T. Ryan, club secretary, treasurer and general counsel said, when the electrical system went out. There were no lights, radio or flight dials.

Ulman continued on his flight plan until the possibility of running out of gasoline arose. "We flew fairly high until about 1:30 a.m. CST," Ryan said. "By then we were down to about 300 feet."

The crew noticed a town and sought a landing place. The plane circled over Carroll twice and avoided a water tower and high tension lines in coming down in the cornfield.

Reactions To Anti-Semitism

By THE ASSOCIATED PRESS

Thousands of Britons who fought nazism and Italians who lived under fascism demonstrated Sunday against anti-Semitism.

The month-long wave of swastika smearings that began in West Germany and spread around the world seemed fading as many Jewish leaders predicted it would. Only a few scattered incidents directed at Jews were reported over the weekend.

Widespread inquests into the swastika displays—whether hooligan exhibitions or symptoms of an organized revival of nazism—have brought forward nothing concrete.

Mr. and Mrs. Paul Keepers and Mr. and Mrs. Ralph Long and their daughter were dinner guests on Sunday at the home of Mr. and Mrs. James Nickoles, Westminister. The occasion was the birthdays of Paul Nickoles and Vicki Long, both of whom celebrated their first birthday anniversaries during the past week.

Mr. and Mrs. William Hopkins, York, spent the weekend with Mrs. Hopkins parents, Mr. and Mrs. Clarence Wachter.

Twenty members were in attendance at the regular meeting of the Emmitsburg Lions Club held Monday night at Fitzgerald's Mason-Dixon Inn. President Ralph D. Lindsey presiding.

A communication from the Taneytown Lions Club was read announcing the candidacy of one of its members, Harry Dougherty, for the district governorship. No endorsement was taken as far as an endorsement was concerned at this time. Several means of raising money for civic projects were discussed.

A large portion of the meeting was devoted to discussion of the annual horse show which the club has been sponsoring for the last 12 years. The group favored the continuation of the show and a committee was appointed to set a date and make the necessary preparations. Heading the committee is William G. Morgan chairman, assisted by Delbert

ROANOKE, Va. (AP)—Col. William Jackson Jenks, 89, former president and chairman of the board of the Norfolk and Western Railway, died Sunday. He had been associated with the road for 50 years. He was born on a farm near Raleigh, N.C.

NEW YORK (AP)—Frederick S. Pearson, 47, former editor and author of "Fractured French," died Sunday after a brain operation. He was a winner of the Peabody Award for humor in his television writing.

Paper, Clarence E. Hahn and Arthur Elder. It was not decided definitely which show circuit the club would enter. For 11 years the show was a member of the Maryland Horse Show Association, but switched last year to enter the Penn-Maryland Association.

The two week mission, to be conducted by Vincentian Fathers, started Sunday at St. Joseph's Catholic Church with the mission fathers Father Young and Father Ikeman, giving sermons at the masses. This week is dedicated to the women of the parish including married, single and high school students. The services begin each evening at 7:30 o'clock. The second week is dedicated to the men of the parish. The children from St. Joseph's parish, attending the Mother Seton School, will be given the mission at school the latter part of this week. Infants will be blessed by the Vincentian Fathers on Saturday at 11 a.m.

NEW ABSENTEE VOTING LAW IS FULL OF HOLES

By LEONARD A. UNGER

HARRISBURG (AP)—Vty. Gen. Anne X. Alpern said that Pennsylvania's new absentee voting law is full of loopholes.

There are so many of them, she said thousands of citizens will continue to be disenfranchised despite a 1959 Constitutional amendment designed to give absentee voting privileges to all persons who are ill or out of their home county on business on election day.

Citizen absentee voting laws will take effect for the first time in the April 26 primary. Service men and hospitalized veterans have had the privilege since World War II.

"Better Than None"

The Lawrence administration is blaming the Republican controlled Senate for putting unnecessary restrictions into the new law passed to carry out the provisions of the Constitutional change.

Constituents of the old Evening Public Ledger, were arrested Sunday in a raid on a party. Four teenage girls were told to appear in Juvenile Court.

Police said they raided the old Society Hill mansion of George F. Kearney after receiving a tip a loud party was in progress there. They said they could see a partially-clothed man and an unclad woman through a second-floor window.

Kearney, 64, was general manager of the Ledger in 1939 and later president and editor of the paper.

He said he allowed Philip R. Pitkoff of Philadelphia to use the house for his 21st birthday party.

Kearney was charged with being the proprietor of a disorderly house and disorderly conduct. Pitkoff was charged with corrupting the morals of a minor and disorderly conduct. Five other men were charged with disorderly conduct.

Miner Held For Daughter's Death

By THE ASSOCIATED PRESS

WILKES BARRE, Pa. (AP)—An unemployed miner is being held in Luzerne County prison on a murder charge in the fatal shooting of his 22-year-old daughter.

Dist. Atty. Stephen Teller said Saturday George Kotch, 49, admitted shooting his daughter Natalie, in their Larksville home.

The girl's mother told police Kotch telephoned her at work Friday and told her to come home. When she arrived she found Natalie's body in a pool of blood.

Police would not disclose any possible motive for the shooting pending completion of their investigation.

Neighbors reported Kotch and his daughter had been quarreling because she did not try to find a job.

BALTIMORE (AP)—Strange things are happening at the Jones house on Meridene Drive.

Flower pots leaping through window panes, wall pictures crashing to the floor, pottery exploding and plants jumping out of their holders.

This has been going on for four days, according to Mr. and Mrs. Edgar G. Jones.

"I'll tell you, it's got us crazy," said Mrs. Jones. "We're scared to death. I've gotten so frightened I don't know what to do. I can't express my feelings to anyone."

WATCHING FOR OUTBREAK OF ASIAN FLU

HARRISBURG (AP) — State health officials are watching closely for signs of a serious outbreak of influenza viruses. Meanwhile, they advise immunization against Asian and other strains of flu.

Dr. Thomas McFerson, director of the Bureau of Preventative Diseases, said a check is being kept on absenteeism in industry and in schools.

"In fact," he said Monday, "we have advised regional medical directors to keep their fingers on the pulse, so to speak, for such signs of an epidemic."

Seems Established

Dr. Charles L. Wobbar Jr., state health secretary, said a Pittsburgh news conference on apparent rise in flu cases this year is a flareup of a disease which has established itself.

"This is the same kind of flu we had two years ago," he added. "It never has gone away entirely. The fact that Asian flu has been so widely surveyed gives us hope that we will not have a major epidemic."

Wobbar advised immunization for people in key community jobs, people who are weak and debilitated because of some chronic illness or convalescence and those who are at the extremes of life—the very young and the very old.

The health chief said a person is not immune to Asian flu just because he had it during the 1957-58 outbreak.

McFerson said the maximum effectiveness of anti-flu inoculations is about six months.

One Dead, 2 Hurt In 2-Car Crashup

VAN BIBBER, Md. (AP) — A two-car collision at an intersection in Harford County Monday night killed Mrs. Anna Roney, 40, of Lancaster, Pa., and injured three men.

Passenger Injured

Russell J. Schultz, 50, a passenger in Campbell's car, was hospitalized with chest injuries.

Trooper Walter Johnson charged Campbell with manslaughter and failure to obey a stop sign.

Campbell was driving north on Old Philadelphia Road and the Roney car was going east on Emerson Road.

FPC Natural Gas Order In Abeyance

WASHINGTON (AP) — The Federal Power Commission will reconsider its order authorizing independent natural gas producers to make seven sales to Transcontinental Gas Pipe Line Corp., of Houston.

The commission's decision Monday holds in abeyance its Nov. 17 order which authorized the sales without any conditions as to initial prices. The New York Public Service Commission and three of the Transcontinental's customer companies had urged price conditions on some sales.

The original order also authorized a \$53,375,000 expansion by Transcontinental enabling it to serve one new customer, Palmerton Gas Co., Lehighton, Pa., and increase firm deliveries to 44 resale customers.

Police Seek Youth For Embezzlement

SCRANTON, PA. (AP)—Police today searched for a 20-year-old former tele. accused of embezzling between \$6,000 and \$7,000 from the West Side Bank here. U.S. Commissioner Harry A. Kolb Monday issued a warrant for the arrest of John Kupnick Jr. The Federal Bureau of Investigation's Philadelphia office warned state police that Kupnick may be carrying a shotgun or a 22 caliber rifle.

But the firm still must secure approval of the voters in any county in which it proposes to operate.

The corporation authorized by the Department of State to capitalize a \$25,000 is considered a pilot firm to pave the way for a local option election in Delaware County. If this passes, another corporation is expected to be set up to construct a racing plant to cost in excess of five million dollars.

But so many requirements must be met it will be difficult to get the question on the ballot in time for the 1960 primary election April 26. The new law which authorizes a maximum of four such tracks specifies the question be voted in primary election.

The corporation bureau also has authorized Allegheny Raceway Inc. Pittsburgh to capitalize at \$50,000 to run horses and conduct races there lawful.

The group however applied before the racing law became effective. Officials said it may have to revise its corporate structure

to do this.

CONGRESS TO REVISE IKE'S BUDGET PLANS

By JACK BELL

WASHINGTON AP — The Democratic Congress signaled its

intention today to recast President Eisenhower's budget along the lines of its own political ideas.

Prime target in a drive to pare down the over \$179,800,000,000 spending total forecast for the year beginning July 1 seemed likely to be the Pres. don'ts' requests to \$4,175,000,000 in new money for foreign aid. This included a \$10 billion for military outlays.

Although Eisenhower estimated the amount of actual aid spending

at \$3,450,000,000 he asked for more and options to retain the program in the future. The quiet consensus was that he will get less new money than he expects to spend.

On the other hand, Democrats said the ground work to reshape the budget is under way. The \$4,175,000,000 defense proposal was shown immediately to a committee and disappointed many. Eisenhower's space recommendations were no more comprehensive.

In a comment they balked at the existing postures of gasoline rates as Eisenhower asked.

They criticized his housing proposal. They asked his proposal to raise the interest ceiling on government bonds.

By now it is clear that a Senate Democratic committee

is to be formed to take the first steps toward passage of a \$1,000,000,000 budget bill there is every indication the Pres. will veto.

Outnumbered Republicans announced they will fight not only to keep the budget balanced but to raise the \$4,175,000,000 surplus. Eisenhower forecasted.

Most of the Republicans sounded the election year note that

Eisenhower was providing sufficient funds to maintain the essential economic growth of the country.

Sen. Hubert H. Humphrey, D-Minn., a Democratic presidential hopeful, challenged this contention in a speech in Milwaukee, Wis., Monday night. He said Eisenhowe

er's policies had ruined economic

conditions in the country.
